Dear Sir / Madam,

**Subject:** Expression of Interest for Technology Tie-up for IGBT based Propulsion System including Train Control and Management System (TCMS)

Bharat Heavy Electricals Limited (BHEL) is a leading state-owned company, wherein Government of India is holding 63.17% of its equity. BHEL is an integrated power plant equipment manufacturer and one of the largest engineering and manufacturing organization in India, catering to the core infrastructure sectors of Indian economy viz. energy, transportation, heavy engineering industry, defense, renewable and non-conventional energy.

BHEL is seeking a technology partner for IGBT based Propulsion System including Train Control and Management System (TCMS) under a long-term Licensing and Technology Collaboration Agreement. In this regard, BHEL has floated an Expression of Interest (EoI) seeking response from prospective collaborators who are meeting the requirements of this EoI and are willing to be associated with BHEL through a License & Technology Collaboration Agreement (TCA) for IGBT based Propulsion System including Train Control and Management System (TCMS).

We have uploaded EoI on BHEL website, please find links below:

We seek your kind support in further circulation of the attached EoI document in your country of operation to the technology owning companies engaged in this business, so that BHEL can receive a wider response.

Thanking you,

Yours sincerely,

(Rajesh Kohli)
