The ASSOCHAM National Council on Textile has proposed to organize the first edition of the **International Textile Value Chain (ITVC) Expo at Surat**. The said initiative is inspired by the **5F vision of Hon'ble Prime Minister - Farm to Fibre to Factory to Fashion to Foreign**. The objective is to unleash the Potential of two mega cities (Surat & Tirupur) aligning with the aim to achieve \$100 billion in textiles exports in five years.

The Indian Textile Industry is one of the prominent industrial sector contributing to 14% of total industrial production, 4% to the GDP and 11% to the country's export earnings. A booming economy, growing young population, rising household income levels, growth of organized retail sector, increasing passion for branded and lifestyle products, growth of semi urban and rural markets, increasing working female population etc. is giving rise to the Indian textile markets through newer opportunities.

Globally known for its rich and diverse raw material base, trained manpower, huge domestic market and strong presence in the entire textile manufacturing chain, Indian Textiles and Apparel sector presents limitless and unparalleled business opportunities in India.

SURAT: Textile City of Gujarat

(Also known as Silk City of India)

The textile industry is one of the oldest and the most widespread industries in Surat. A major part of the city's population is associated with the textile industry. Surat is well known for its synthetic products market. It is mainly engaged in the production and trading of synthetic textile products. Katat Gam, Magdalla and Udhana are the areas of Surat where manufacturing is mainly concentrated.

The city is the home to five Textile Parks: Gujarat Eco Textile Park Limited; Fairdeal Textile Park Pvt. Ltd; Sayana Textile Park Ltd; Surat Super Yarn Park Limited; RJD Integrated Textile Park.
